Practitioner oriented

The content design & facilitation will be done by experts from KPMG experts, Experts with extensive facilitation and consulting experience

Leverage KPMG assets

KPMG has a wide repository of available content and alliances that can be leveraged

Faculty

The programmes at ISBF derive contributions from two sets of faculty members - those at LSE and those at ISBF.

LSE Faculty - Academic Direction

LSE's faculty members provide 'academic direction' for all programmes taught at ISBF. The academic leadership team for the EMFSS Programmes at LSE lays down the structure and regulations for these programmes. With the help of a large team of LSE academicians, they also write and update the curricula, author the study materials, and set and grade all coursework and examinations for these programmes. This ensures parity of curriculum, assessment and overall rigour with what is followed internally at LSE. It also sets the tone for the teaching on these programmes, which is done by ISBF's faculty members.

EMFSS Academic Leadership

Dr. Francesco Nava,
Academic Director

Dr. James Abdey,
Associate Academic Director

Scholarships

AT ISBF, we believe that financial constraints should not pose any hindrance to someone's academic aspirations. Many of our students receive scholarships that are offered to deserving individuals who have shown exemplary achievements in different fields

Chairman's Merit-Based Scholarship

This scholarship recognizes and provides financial aid to students with outstanding academic achievements and accomplishments. Our merit-based scholarships are also sensitive to financial need and offer up to a 50% reduction in tuition fees, as determined by the selection committee

Eligibility:

Outstanding academic performance and candidate's performance in the iMET and personal interview

ISBF Need-Based Scholarship

ISBF Scholarship Fund is dedicated to empowering students facing financial barriers to higher education. This type of scholarship will require you to submit income proofs and any other documentation as deemed necessary by the selection panel. This will offer up to a 30% reduction in tuition fees, as determined by the selection committee

Eligibility:

Students with low income but a high drive for growth

Jagannath Scholarship for Outstanding Extracurriculars

This scholarship is committed to supporting exceptional students from economically disadvantaged, marginalized, or underserved communities

Eligibility:

Applicants must provide a brief description of their leadership roles and the measurable results achieved. They should also include any relevant certificates or awards they have received

Devansh Jain Diversity Scholarship

This scholarship is committed to supporting exceptional students from economically disadvantaged, marginalized, or underserved communities. This will offer up to a 25% reduction in tuition fees, as determined by the selection committee

Eligibility:

Applicants should be from low-income communities in India or neighbouring countries, such as Bhutan, Bangladesh, and Nepal

Ashish Agarwal India-Bound Scholarship

This scholarship targets Indian-origin students living abroad (i.e., PIO cardholders) who aim to connect with India's corporate and professional environment. It supports those who wish to return to India for a top-notch education that could significantly advance their careers. This will offer up to a 15% reduction in tuition fees, as determined by the selection committee

Eligibility:

PIO cardholders and Indian citizens studying abroad

Rikant Pitti Scholarship for Economics/Finance Leaders

This scholarship is awarded to students who have shown a strong interest and achievement in economics or finance, whether through participation in related events or school clubs and who aim to enhance their career opportunities in these fields. This will offer up to a 15% reduction in tuition fees, as determined by the selection committee

Eligibility:

Candidates must provide a brief overview of their achievements in economics or finance at a national or international level and be ready to provide further proof during the interview process

ISBF Scholarship for Women

This scholarship supports talented female students with a strong academic background and the ambition to become industry leaders. This will offer up to a 15% reduction in tuition fees, as determined by the selection committee

Eligibility:

Female candidates with notable achievements in various fields
